

YOUR ADVOCATES *for* PROPERTY RIGHTS

We are REALTORS®. Home ownership matters to us. We defend homeownership and property rights, and work to educate elected officials and government regulators about housing issues. We oppose undue burdens, taxes, fees, and regulations that raise the cost of owning a home; we support the unrestricted privilege to transfer property. We are passionate about protecting private property rights. We're also passionate about Utah Valley, and are involved in local policy and land use planning issues. Let us know how we can help you with your real estate needs. Together we can keep Utah the best place to live, work, and play. Learn more at www.ucaor.com.
